

# Copyright Transfer Agreement

TITLE OF MANUSCRIPT ("WORK"): \_\_\_\_\_

AUTHOR(S): \_\_\_\_\_

This Work is being submitted for publication to the Journal of Groundwater Science and Engineering (the "Journal"). In order to expedite the editing and publishing process and enable us to disseminate your Contribution to the fullest extent, we need to have this Copyright Transfer Agreement signed and returned to the Journal as soon as possible. If the Contribution is not accepted for publication, this Agreement shall be null and void. Publication cannot proceed without a signed copy of this Agreement.

The Author(s) hereby transfer all copyrights (including but not limited to publication, dissemination rights) in the above-titled Work in all languages to the Journal of Groundwater Science and Engineering throughout the world. The Author(s) hereby agree that the Journal may edit the work, its title and abstract. The Author(s) also hereby agree that the Journal may use his/her name, photo, or likeness in connection with promoting or advertising the work and any adaptation thereof, in the journal issue or other medium in which such work is included.

The authors promise:

1. This manuscript is the original work of the author(s), does not involve any information unsuitable for publication, and adherence to the legal requirements of the study country.

2. This manuscript has been submitted solely to this journal and is not published, in press, or under consideration for another publication, or a substantially similar form in any language. It will not be published elsewhere or reproduced, shared for any commercial purpose in all languages, including electronically without the written consent of the Journal.

3. The content does not infringe the copyright or other rights of others, has no known competing financial interests or personal relationships that could have appeared to influence the work reported in this paper. The order of the author(s) will not change randomly.

4. The Manuscript's publication and all above items is approved by all authors and tacitly or explicitly by the responsible authorities where the work was carried out. The right to sign this agreement has been authorized.

If the above promises are not followed, the authors will bear all liabilities arising from their dishonest behaviors and compensate for all losses caused to the Journal of groundwater science and engineering.

Please scan or take photos of the signed agreement and send the electronic version to the editorial office.
